experience

Project Manager in Design

Lucerner University of Applied Sciences and Arts

Part Time Januar 2021 - now

I managed the design part in one of the research project of our University since the beginning of 2021 until now.

Scientific Assistant UX

Lucerner University of Applied Sciences and Arts

Part Time February 2021 4 Months

I investigated with the research team about a solution for an UI-Learning Application for disabled adolescents

Graphic Designer Intern

Suan Conceptual Design Basel

Intern August 2017 3 Weeks

In the second year of FMS, I was given three weeks to do a short internship at the Suan Conceptual Design agency in Basel. During these three weeks I got an insight into the projects and the working methods of a graphic designer.
